GOALS

My name is Matheus, I'm 24 years old and I currently live in Niterói-RJ, since I was very young I've always been a lover of technology and innovation, I've worked and undertaken in the area of gastronomy but I found my true passion in website and software development. I am currently studying software engineering at unicesumar and working as a freelancer on specialized websites. I want to apply for this position to have my first opportunity in the area and show my skills and my willingness to learn and help everyone around me.
